Requirements

Desired Qualifications

MUWCI wishes to appoint individuals with a range of experiences and from diverse backgrounds. Almost all our faculty hold Master's degrees and often a doctorate and/or a teaching diploma. Combinations with other teaching subjects, aptitude in cultural, artistic, or athletic performance, skills and interest in developing student health and well-being, and experience of interdisciplinary, experiential, project-based, residential, international, or outdoor education will be valued.

Other Responsibilities

All full-time faculty actively contribute to the broader life of the community, including our experiential learning and residential programmes. At the College, we enjoy and promote a culture of collaboration and engagement; everyone has a voice in how the community functions. Since most of our faculty positions are residential, close bonds are formed between students and faculty as teachers, mentors, advisors, and house parents. Faculty who live off-campus are equally engaged in the community: sharing meals in the dining hall, interacting with students, and participating in various on and off-campus activities.
