Every.org

Steps:

The most cost-effective way to make recurring donations is by bank transfer.

1 Go to the UWC website on the every.org portal:

every.org/uwcint

2 Click the **Donate** button

3 Click **Bank**, then **Once** to make a one-off donation or **Give Monthly** to make a recurring donation.

4

Enter / select a donation amount (must be \$10+), then click **Add a note for the United World Colleges**. Please enter the name of the UWC entity you want your donation to go to (e.g., name of the UWC school / college, name of the National Committee, UWC Endowment, UWC International). If left blank, funds will be allocated to **'area of greatest need'**.

The screenshot shows a donation interface with a sidebar on the left listing payment methods: Card, Bank, PayPal, Venmo, Gift card, Crypto, Stocks, and DAF. The main area is titled 'Frequency' and has two buttons: 'Give Monthly' (selected) and 'Once'. Below this is a note: 'Monthly donations help nonprofits focus on mission and long-term impact, not fundraising. Cancel anytime.' A red box highlights the 'Donation amount' section, which shows '\$ 25' and 'USD' with buttons for '+40', '+100', and '+250'. Another red box highlights the 'Add a note for The United World Colleges (International)' checkbox, which is checked, and a 'Private note' text area containing the placeholder 'Please give this donation to [insert UWC entity name]'. There is also an unchecked checkbox for 'Add public testimony' and a green 'Continue with bank' button at the bottom.

5

If you wish to, select a donation amount for the Every.org platform to help them cover their costs. Note: This is fully optional! Then enter your contact details and uncheck **Share my support publicly** if you don't want your name to be listed on the UWC page of Every.org as a supporter. Finally, click **Add bank** to connect your bank details via Plaid.
